E. A. Wall sonally. The Utah Savings & Trust pany is the surety and the bond

has been accepted by the mayor and the contract for the paving has been

approved.

The work of paving will be proceeded with by P. J. Moran the contractor, as soon as the laying of sewer pipes and the relaying of water mains on the street is completed, such work now being in progress. As much of the paving as possible will be done this fall but the street will be left in passible condition for the winter. sable condition for the winter.

It is believed by Col. Wall and the board of public works that the plan agreed upon for the paving will be entirely satisfactory even to those who

have protested against it after they see it partially completed. The north side of the street will be paved according to the plan suggested by Col. Wall and the board of public works. There will be no retaining walls at the inter-section of the streets and the cut will not be so great in front of the abutting property as that proposed in City Engineer Snow's plan. There will be a slope of 18 inches between the two street car tracks. The south side will be paved according to City Engineer Snow's plan. There will be a raise af about three and a half feet from the present sidewalk grade to the paving and the raise will be parked.

WILL PRESENT "NIOBE."

The members of the University Dramatic club met yesterday afternoon. Leo Marshall was elected secretary and Elbert D. Thomas and Jay E. Johnson managers for the ensuing year. At the next meeting a committee will be appointed to draw up rules and regu-lations for governing the society.

It was decided that "Niobe" was to be one of the two plays to be presentd during the year. Rehearsals are to commence soon, and the play will be put on at the close of the football season. Next spring some Shake-spearean play will be put upon the

TWO BATTERIES GOING.

Nos. 12 and 22 at Fort Douglas Are To be Transferred.

Yesterday afternoon's Fort Douglas mail brought orders for the transfer of light batteries 12 and 22 from this post to Fort Leavenworth, where, with the battery there, they will form a battalion under the command of a major. This in conformity with the new policy of the war department, to group the light batteries in battalions. The Twelfth and Twenty-second batteries are commanded at present by Capt. S. D. Sturgis and First Lieut. G. R. Greene, the strength of the two or-ganizations being 235 officers and men. with 12 guns. This will leave the five companies of the Twenty-ninth infan-try as the garrison until further hanges are made.
